Vaccine Question Package

The screenshot shows a software interface with a top navigation bar containing tabs for 'Event Data', 'Lab Results', 'Concerns', 'Persons', 'Tasks', 'Event Properties', and 'Event History'. Below this is a section titled 'Question Packages' with a list of items:

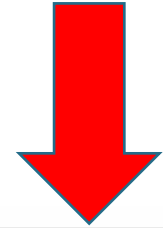

- Question Package
- 01. Administrative
- 02. Demographic
- 03. Clinical
- 04. Risk History
- 09. Risk Questions - Part 1
- 10. Contact Tracing
- ▶ 11. Vaccination (highlighted in yellow)
- 14. Electronic Transmission Information

At the bottom of the interface, there are three buttons: 'View Question Package', 'Wizards' (with a dropdown arrow), and 'View Wizard'.

Two methods of data coming in on vaccines:

- Manual Data Entry
- Data Imports

Vaccine Question Package

Vaccine Information - Manual Entry

Do not enter information from the North Carolina COVID-19 Vaccine Management System (NC CVMS). This information will be imported into NC COVID.

Has this person received a COVID-19 vaccine?

Vaccine Information - Import

Has this person received a COVID-19 vaccine?

There will be two separate sections

- Manual Entry
- Import

Vaccine Question Package

Vaccine Information - Manual Entry

Do not enter information from the North Carolina COVID-19 Vaccine Management System (NC CVMS). This information will be imported into NC COVID.

Has this person received a COVID-19 vaccine?

Manual data entry

- The only section that you can edit is the Manual Entry
- “Has this person received a COVID-19 vaccine” is a required field for submitting the case to the State
 - *Answer selections are yes, no, unknown*

Vaccine Question Package

Please DO NOT enter information from the North Carolina COVID-10 Vaccine Management System (NC CVMS)

We will import information from that application; manual data entry is not necessary and will be duplicative.

Vaccine Question Package

Only information from the following should be manually entered:

- ✓ Veteran's Administration
- ✓ State other than NC
- ✓ Department of Defense/ Military
- ✓ Outside of the US
- ✓ Other

Vaccine Information - Manual Entry	
<i>Do not enter information from the North Carolina COVID-19 Vaccine Management System (NC CVMS). This information will be imported into NC COVID.</i>	
Has this person received a COVID-19 vaccine? <input type="checkbox"/>	YES <input type="button" value="Add New"/>
