Login Steps

The screenshot shows the NCCOVID login interface. At the top is the logo for 'north carolina NC EDSS electronic disease surveillance system'. Below the logo, there are instructions: 'Instructions: You are accessing the system from an unknown computer. Please enter the security code that was just sent to your phone/email.' The main heading is 'Sign in to NCCOVID'. There are two input fields: 'Username:' with the value 'ashedd' and 'Passcode:' with a masked input. Below the fields is a checkbox labeled 'Remember me on this computer' which is checked. At the bottom are two buttons: 'Sign in' and 'Cancel'.

Step One Initial login

- Enter username you were provided in the Username field
- Enter the temporary password that you were given in the Password field
- The Application field remains as "Main"
- Click the Login button

Step Two 2-Part Authentication

- Enter the 6-digit code in the Passcode Field This passcode will be sent to your email within 30 seconds after you click login above.
**If you change your browser, change computers, delete browser history or change your password, you will be required to complete this step*
- Be sure to Check the Private Computer: Remember me on this computer box
- Then, click the Login button
